PROFESSIONAL SUMMARY

Computer Science and Engineering graduate with a unique blend of technical knowledge and sales experience. Currently working as a Sales Associate, handling outbound/inbound customer calls, product promotion, and deal closing in a fast-paced outsourcing environment. Strong foundation in web development (React, Next.js) enables clear, confident product demos and technical conversations with customers. Skilled in lead generation, customer engagement, CRM-based record keeping, with a strong career goal of building a career in Marketing, particularly in Digital Marketing, and Customer Engagement.
